LEADERSHIP BRIEFING BOOK

Giles Platford and IBU Leadership Team Visit

A leadership reader for the visit - purpose, people, places and the moments that make this ICC distinctive.

VISIT Executive Visit	LOCATION Bengaluru ICC	DAYS 3	MOMENTS 46
---------------------------------	----------------------------------	------------------	----------------------

This briefing book is designed to be read once before the visit and revisited between sessions. Each page follows the same rhythm: the story of the session, why it matters, what to look out for, and the practical facts at a glance.

DAY 1 SUMMARY AGENDA

ICC capabilities and technologies

June 9, 2026 | 17 agenda moment(s)

Executive day summary

Day 1 is shaped around ICC capabilities and technologies. The flow gives leaders a clear path through Welcome & Setting the Context, Innovation Space & Facility Walkthrough, Transforming Market Access Through AI & Automation, and Networking & PDT Labs Walkthrough, balancing structured discussion, practical exposure, and relationship-building moments. The day is anchored across ICC India Reception (11th floor), 11th Floor - Himalaya, 10th Floor - Ikigai Garden, and 10th Floor - Shinano, so the experience moves naturally between the rooms, floors, and spaces where the work and conversations will take place. The agenda below provides a quick navigation view; each topic links directly to its detailed briefing page.

Day-wise agenda navigation

TIME	EVENT	AGENDA TOPIC	LOCATION	HOSTED BY
08:45 - 09:00	1	Arrival & Welcome	ICC India Reception (11th floor)	Admin
09:00 - 09:30	2	Welcome & Setting the Context	11th Floor - Himalaya	Tilak

14:15 - 14:45	12	Transit		
15:00 - 16:00	13	Townhall with ICC	Takeda ICC	Tilak/Lana
16:00 - 16:30	14	Wrap up and close	Takeda ICC	Roland
16:30 - 18:00	15	Additional working time if needed	Takeda ICC	
	16	End		

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 1 · 08:45 - 09:00

Arrival & Welcome

ICC capabilities and technologies

Description

Attendees are received at the ICC India Reception on the 11th floor, with arrival support and a smooth orientation to the visit. This opening moment sets a welcoming tone and helps participants settle in before the formal program begins.

The reception also provides a natural transition into the day's agenda, creating space for initial introductions and practical coordination. It establishes a polished start to the briefing book experience and supports an orderly flow into the sessions that follow.

TIME	08:45 - 09:00
DURATION	15 min
LOCATION	ICC India Reception (11th floor)
HOSTED BY	Admin

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 2 · 09:00 - 09:30

Welcome & Setting the Context

ICC capabilities and technologies

Description

This welcome session sets the tone for the visit by aligning participants on the objectives, expected outcomes, and the broader GCM expansion vision. It provides a clear opening context for the discussions and site experiences that follow on the 11th floor.

The session helps frame the day as a connected sequence of strategic conversation, operational exposure, and leadership exchange. It offers a concise foundation for understanding how each subsequent stop contributes to the overall visit narrative.

TIME	09:00 - 09:30
DURATION	30 min
LOCATION	11th Floor - Himalaya
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 3 · 09:30 - 09:45

Innovation Space & Facility Walkthrough

ICC capabilities and technologies

Description

This walkthrough introduces the ICC innovation environment, the facility setup, and the collaboration spaces that support the broader visit experience. Held at Ikigai Garden on the 10th floor, it offers an early look at the setting behind the day's discussions.

The session fits naturally after the opening welcome, moving from context-setting into a more tangible view of the workplace. It helps participants connect the strategic agenda with the physical spaces designed to enable collaboration and innovation.

TIME	09:30 - 09:45
DURATION	15 min
LOCATION	10th Floor - Ikigai Garden
HOSTED BY	Tilak

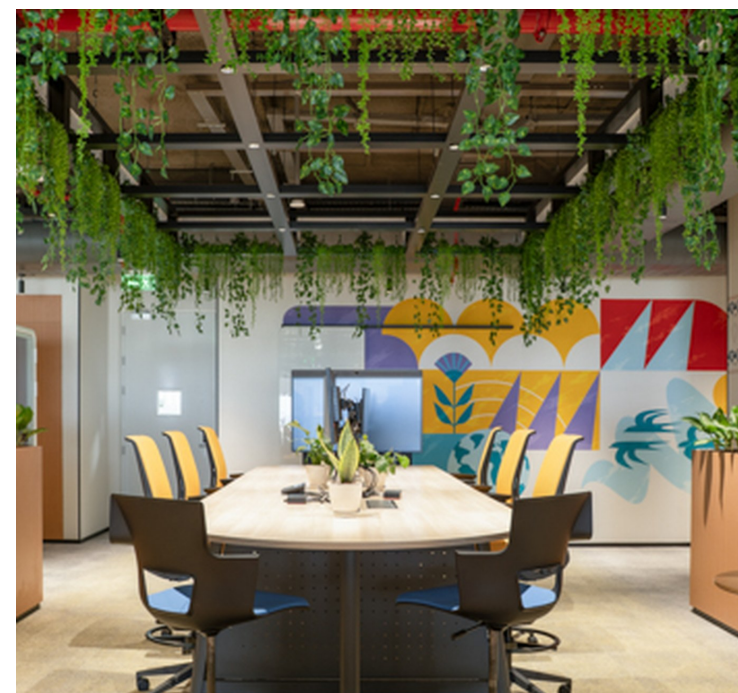

Transforming Market Access Through AI & Automation

ICC capabilities and technologies

Description

This session showcases how AI and automation can transform market access and pricing workflows. Hosted at Shinano on the 10th floor, it brings a focused operational lens to the broader innovation agenda.

Placed after the facility walkthrough, the discussion deepens the visit by moving from environment and context into practical capability. It adds a substantive business perspective and reinforces the role of technology in shaping future ways of working.

TIME	09:45 - 10:25
DURATION	40 min
LOCATION	10th Floor - Shinano
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 5 · 10:25 - 10:50

Networking & PDT Labs Walkthrough

ICC capabilities and technologies

Description

A relaxed networking pause on the 11th floor creates space for informal exchange alongside a walkthrough of the PDT labs and innovation spaces. It offers a useful bridge between the more structured sessions of the morning and the next set of discussions.

The break supports relationship-building while keeping the agenda flowing smoothly. It also gives participants a chance to absorb the surrounding environment before moving into the next content block.

TIME	10:25 - 10:50
DURATION	25 min
LOCATION	11th Floor
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 6 · 10:50 - 11:30

Building Scalable Data Products and Foundations for IBU

ICC capabilities and technologies

Description

This session demonstrates scalable data-product foundations, platform capabilities, and connected insights for IBU. Held on the 11th floor in Himalaya, it adds a more technical and strategic layer to the visit program.

Following the networking and walkthrough segment, the discussion shifts from general exposure to a clearer view of how data capabilities support business outcomes. It helps round out the day with a focused example of platform-enabled value creation.

TIME	10:50 - 11:30
DURATION	40 min
LOCATION	11th Floor - Himalaya
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 7 · 11:30 - 11:40

Networking Break

ICC capabilities and technologies

Description

A brief networking break provides a practical pause for refreshment, transition, or departure as the agenda continues. It supports a smooth cadence between sessions and helps maintain the flow of the day.

TIME	11:30 - 11:40
DURATION	15 min

The Future of Customer Engagement

ICC capabilities and technologies

Description

This session highlights personalized, data-driven customer engagement capabilities and their enterprise relevance. Hosted on the 11th floor in Himalaya, it brings a customer-focused perspective into the broader innovation narrative.

Placed after the break, the discussion offers a thoughtful transition into how data and personalization can shape engagement at scale. It adds strategic context for leaders considering the role of customer experience in future operating models.

TIME	11:40 - 12:20
DURATION	40 min
LOCATION	11th Floor - Himalaya
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 9 · 12:20 - 13:10

Leadership Roundtable Lunch with ICC Digital Associates

ICC capabilities and technologies

Description

A leadership roundtable lunch with ICC Digital Associates creates a setting for informal discussion alongside the meal. It offers a natural pause in the program while opening space for conversation on talent strategy, innovation culture, workforce models, and collaboration opportunities.

Held at the 10th floor Cafe, the lunch fits as a connective moment in the visit flow. It brings together relationship-building and substantive exchange in a relaxed, executive-friendly setting.

TIME	12:20 - 13:10
DURATION	50 min
LOCATION	10th Floor - Cafe
HOSTED BY	Admin

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 10 · 13:10 - 13:30

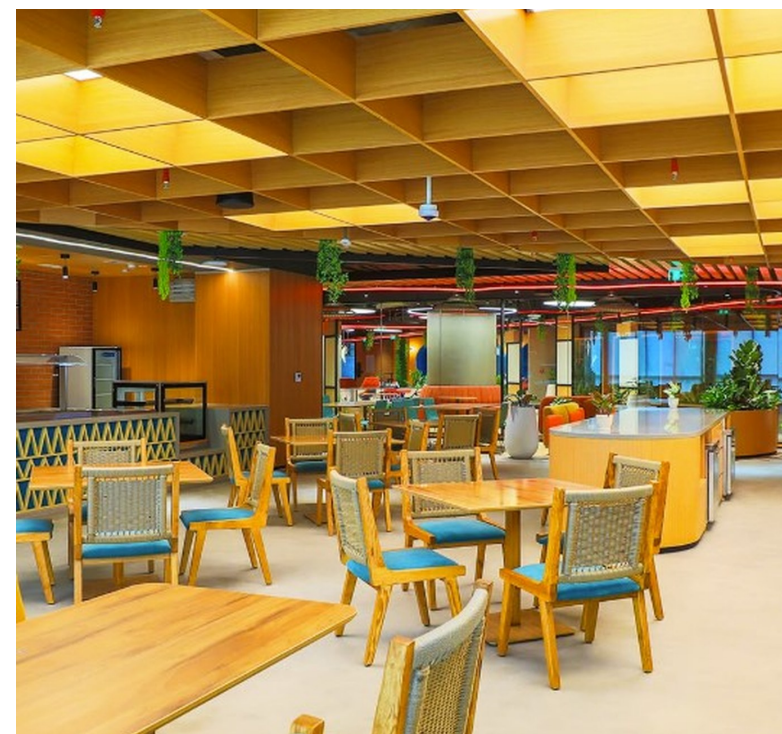

Tech Bar & Innovation Spaces Tour

ICC capabilities and technologies

Description

This tour explores the collaboration zones, the Tech Bar, and the innovation spaces designed to accelerate delivery. Located on the 12th floor, it provides a practical look at the environment supporting the day's broader themes.

The visit extends the earlier facility exposure by focusing on spaces that enable hands-on collaboration and rapid problem-solving. It adds texture to the agenda and helps connect the physical setting with the operating model being discussed.

TIME	13:10 - 13:30
DURATION	20 min
LOCATION	12th Floor - Tech bar

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 11 · 13:30 - 14:30

AI Forward: Scaling Enterprise Productivity Through AI

ICC capabilities and technologies

Description

This session demonstrates how AI can scale enterprise productivity and accelerate engineering delivery. Hosted at XD Labs on the 12th floor, it brings a forward-looking technology perspective to the visit.

Following the innovation-space tour, the discussion builds on the theme of practical enablement by showing how AI supports productivity at scale. It offers leaders a focused view of how emerging capabilities can influence delivery performance.

TIME	13:30 - 14:30
DURATION	60 min
LOCATION	12th Floor - XD Labs
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 12 · 14:30 - 15:00

Innovation & Culture Experience Tour

ICC capabilities and technologies

Description

This floor walk offers an experience of ICC culture, engagement initiatives, and the ways of working across teams. It provides a broader view of the environment beyond individual sessions and brings the visit into a more lived, organizational context.

As a tour element, it fits well between focused content discussions and the closing reflections of the day. The experience helps connect the operational and cultural dimensions of the ICC in a single, cohesive visit.

TIME	14:30 - 15:00
DURATION	30 min
LOCATION	ICC Floor Walk
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 13 · 15:15 - 16:00

Content Factory

ICC capabilities and technologies

Description

This session reviews GCM progress and identifies future transformation opportunities for the content factory. Held on the 11th floor in Himalaya, it adds a focused business discussion to the agenda.

The content factory topic fits naturally within the broader sequence of capability and operating-model conversations. It offers leaders a structured moment to consider what has been achieved and where further evolution may lie.

TIME	15:15 - 16:00
DURATION	45 min
LOCATION	11th Floor - Himalaya
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 14 · 16:00 - 17:10

External Perspectives & Ecosystem Roundtable

ICC capabilities and technologies

Description

This roundtable brings in external perspectives on GCC evolution, ecosystem trends, and innovation operating models. Hosted on the 11th floor in Himalaya, it broadens the visit beyond the immediate Takeda context.

Placed after the internal content discussions, the session adds useful comparative insight and widens the lens for leadership reflection. It supports a more rounded understanding of how operating models and ecosystems continue to evolve.

TIME	16:00 - 17:10
DURATION	70 min
LOCATION	11th Floor - Himalaya
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 15 · 17:10 - 17:55

Key Takeaways, Reflections & Opportunities Ahead

ICC capabilities and technologies

Description

This closing discussion brings the day's key learnings together, captures the main takeaways, and identifies opportunities ahead. Held on the 11th floor in Himalaya, it provides a thoughtful conclusion to the sequence of sessions.

The session serves as a natural bridge from observation to reflection, helping consolidate the visit into a clear set of themes. It creates space to align on what stood out and where the conversation may continue next.

TIME	17:10 - 17:55
DURATION	45 min
LOCATION	11th Floor - Himalaya
HOSTED BY	Tilak

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 16 · 17:55 - 18:10

Hotel Transit and Break

ICC capabilities and technologies

Description

A transit window at Leela Hotel provides a calm pause for movement between venues or session locations. It supports the day's pacing and allows the agenda to transition smoothly.

TIME	17:55 - 18:10
DURATION	15 min
LOCATION	Leela Hotel

◀ [Back to Day 1 summary / index](#)

DAY 1 · EVENT 17 · 18:30 - 21:00

Dinner

ICC capabilities and technologies

Description

An evening dinner at Leela Hotel offers a warm setting for informal discussion, networking, and relationship building. It provides a relaxed close to the day's formal program and creates space for continued conversation.

TIME	18:30 - 21:00
DURATION	150 min
LOCATION	Leela Hotel
HOSTED BY	Tilak/Michaela

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 1 · 07:00 - 08:00

Transit

Learning from peers

Description

A transit window supports movement between venues or session locations and helps maintain a smooth flow across the program. It serves as a practical bridge between scheduled activities.

IBU Leadership Team Transit Across Bengaluru

A strategic journey of collaboration across Bengaluru.

TIME	07:00 - 08:00
DURATION	60 min

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 2 · 08:00 - 09:45

Reflections & Discussion From Day 1

Learning from peers

Description

This reflection session at Marriott Hotel Whitefield provides a space to revisit the themes and discussion points from Day 1. The session details are to be confirmed by Tilak, and the timing allows for a considered continuation of the visit narrative.

It serves as a useful pause for synthesis before the agenda moves forward. The session is positioned to support alignment on what has been learned and how the conversation may develop next.

TIME	08:00 - 09:45
DURATION	105 min
LOCATION	Marriott Hotel Whitefield
HOSTED BY	Tilak

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 3 · 09:45 - 10:00

Transit

Learning from peers

Description

A transit break supports movement between venues and helps the agenda proceed smoothly. It provides a practical buffer between scheduled sessions.

IBU Leadership Team Transit Across Bengaluru

A strategic journey of collaboration across Bengaluru.

TIME	09:45 - 10:00
DURATION	15 min

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 4 · 10:00 - 12:00

Capability Center Visit: Novo Nordisk

Learning from peers

Description

This peer capability-center visit to Novo Nordisk offers an opportunity to learn from operating models, capabilities, and practical examples. It adds an external reference point to the broader visit program and broadens the leadership perspective.

The session fits as a comparative learning experience, complementing the internal discussions with a view into another capability center. It helps frame the Takeda visit within a wider ecosystem of operating approaches.

TIME	10:00 - 12:00
DURATION	120 min
LOCATION	Novo Nordisk
HOSTED BY	Tilak

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 5 · 12:00 - 12:15

Transit

Learning from peers

Description

A transit window provides time for movement between venues or session locations and keeps the day's schedule flowing. It serves as a simple bridge between engagements.

IBU Leadership Team Transit Across Bengaluru

A strategic journey of collaboration across Bengaluru.

TIME	12:00 - 12:15
DURATION	15 min

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 6 · 12:15 - 13:00

Lunch

Learning from peers

Description

Lunch at Marriott Hotel Whitefield offers a relaxed setting for engagement, informal discussion, networking, and relationship building. It provides a natural pause in the day while keeping the conversation active.

The meal fits comfortably within the broader sequence of visits and discussions. It creates space for reflection and connection before the next round of sessions.

TIME	12:15 - 13:00
DURATION	45 min
LOCATION	Marriott Hotel Whitefield
HOSTED BY	Tilak

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 7 · 13:30 - 14:00

Transit

Learning from peers

Description

A transit window supports movement between venues or session locations and helps maintain a steady pace across the agenda. It functions as a practical transition point between activities.

IBU Leadership Team Transit Across Bengaluru

A strategic journey of collaboration across Bengaluru.

TIME	13:30 - 14:00
DURATION	30 min

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 8 · 14:00 - 16:00

Capability Center Visit: Merck

Learning from peers

Description

This peer capability-center visit to Merck provides an opportunity to learn from operating models, capabilities, and practical examples. It adds another external perspective to the visit and supports broader comparison across organizations.

The session complements the day's learning journey by offering a real-world reference point outside Takeda. It helps enrich leadership discussion around how capability centers are structured and experienced in practice.

TIME	14:00 - 16:00
DURATION	120 min
LOCATION	Merck
HOSTED BY	Peter

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 9 · 16:00 - 16:30

Transit

Learning from peers

Description

A transit window allows participants to move between venues or session locations and supports a smooth continuation of the program. It serves as a simple operational bridge.

IBU Leadership Team Transit Across Bengaluru

A strategic journey of collaboration across Bengaluru.

TIME	16:00 - 16:30
DURATION	30 min

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 10 · 16:30 - 18:30

Accenture session - Capability and aspiration

Learning from peers

Description

This session at Accenture is positioned as a capability-and-aspiration discussion, with details to be confirmed by Thomas. It adds an external partner perspective to the agenda and creates space for a focused exchange.

The session fits within the broader sequence of learning and comparison across organizations. It offers a useful point for framing current capability and future ambition in a structured setting.

TIME	16:30 - 18:30
DURATION	120 min
LOCATION	Accenture
HOSTED BY	Thomas H

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 11 · 18:30 - 18:45

Transit

Learning from peers

Description

A transit window provides time for movement between venues or session locations and helps the agenda progress without interruption. It acts as a practical transition between engagements.

IBU Leadership Team Transit Across Bengaluru

A strategic journey of collaboration across Bengaluru.

TIME	18:30 - 18:45
DURATION	15 min

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 12 · 18:45 - 21:00

Dinner with Accenture

Learning from peers

Description

An evening dinner with Accenture offers a relaxed setting for informal discussion, networking, and relationship building. It provides a fitting close to the day's external engagements and supports continued conversation in a more personal context.

TIME	18:45 - 21:00
DURATION	135 min
HOSTED BY	Thomas H

◀ [Back to Day 2 summary / index](#)

DAY 2 · EVENT 13 · 21:00 - 21:30

Transit to Leela Hotel

Learning from peers

Description

This transit window supports a smooth move to Leela Hotel after the evening dinner engagement. It helps maintain the flow of the program and provides a practical transition point.

TIME	21:00 - 21:30
DURATION	135 min
LOCATION	Leela Hotel

◀ [Back to Day 3 summary / index](#)

DAY 3 · EVENT 1 · 07:30 - 08:00

Transit

Defining IBU ICC requirements

Description

A transit window allows participants to move between venues or session locations and keeps the schedule running smoothly. It serves as a straightforward bridge between activities.

IBU Leadership Team Transit Across Bengaluru

A strategic journey of collaboration across Bengaluru.

TIME	07:30 - 08:00
DURATION	15 min

◀ [Back to Day 3 summary / index](#)

DAY 3 · EVENT 2 · 08:00 - 08:10

Welcome & Intros

Defining IBU ICC requirements

Description

This opening working session sets the context for Day 3 by aligning participants on objectives and confirming the expected outcomes for the content-factory establishment discussion. Held at Indegene, it establishes a clear starting point for the day's collaborative work.

The session helps frame the agenda before moving into the more substantive Takeda and partner discussions that follow. It creates a shared understanding of purpose and direction for the working session.

TIME	08:00 - 08:10
DURATION	180 min
LOCATION	Indegene
HOSTED BY	Peter S.

◀ [Back to Day 3 summary / index](#)

DAY 3 · EVENT 3 · 08:10 - 08:30

Takeda Vision & Priorities

Defining IBU ICC requirements

Description

This session shares Takeda's strategic priorities and expectations for the content factory, with attention to business goals, operating principles, and future-state ambitions. Held at Indegene, it provides an important leadership anchor for the day.

The discussion sets the direction for the working session by clarifying what success should look like from Takeda's perspective. It helps align the conversation around the broader intent of the content-factory model.

TIME	08:10 - 08:30
DURATION	180 min
LOCATION	Indegene
HOSTED BY	Peter S.

◀ [Back to Day 3 summary / index](#)

DAY 3 · EVENT 4 · 08:30 - 08:50

Indigene Introduction and Overview

Defining IBU ICC requirements

Description

This introduction provides an overview of Indigene's capabilities, delivery model, and relevant experience. It establishes a shared understanding of how Indigene can support the content factory discussion at hand.

As part of the Day 3 flow, the session creates context before the deeper partnership and operating-model conversations begin. It helps ground the working session in a common view of the partner's role and approach.

TIME	08:30 - 08:50
DURATION	180 min
LOCATION	Indigene
HOSTED BY	Peter S.

◀ [Back to Day 3 summary / index](#)

DAY 3 · EVENT 5 · 08:50 - 09:10

Review of Existing Indegene & Takeda Partnership, Deep Dive on Camp Ops

Defining IBU ICC requirements

Description

This deep dive reviews the current Takeda Indegene partnership and assesses existing campaign operations, with an eye toward improvement opportunities for scalable content delivery. It brings practical operating detail into the Day 3 discussion at Indegene.

The session builds on the earlier introductions by moving into the current-state relationship and how it functions today. It provides a useful basis for identifying where the model may evolve further.

TIME	08:50 - 09:10
DURATION	180 min
LOCATION	Indegene
HOSTED BY	Peter S.

◀ [Back to Day 3 summary / index](#)

DAY 3 · EVENT 6 · 09:10 - 09:40

Content Factory Floor Walk

Defining IBU ICC requirements

Description

This content-factory floor walk aligns with Peter on establishment priorities, requirements, and working-session outcomes. It adds a practical, on-the-ground dimension to the Day 3 agenda at Indegene.

The walkthrough helps connect the discussion to the environment in which the model would operate. It supports a more concrete understanding of the priorities shaping the establishment effort.

TIME	09:10 - 09:40
DURATION	180 min
LOCATION	Indegene
HOSTED BY	Peter S.

DAY 3 · EVENT 7 · 09:40 - 10:20

Indegene & Takeda Content Factory Partnership (IBU, Medical focus)

Defining IBU ICC requirements

Description

This discussion covers the proposed Indegene Takeda content factory partnership for IBU and Medical, with focus on the collaboration model, priority use cases, and operating approach. It is a central working session in the Day 3 program at Indegene.

The topic builds naturally from the earlier context-setting and partnership review. It brings the discussion toward the practical shape of the future collaboration and how it may support the content factory agenda.

TIME	09:40 - 10:20
DURATION	180 min
LOCATION	Indegene
HOSTED BY	Peter S.

DAY 3 · EVENT 8 · 10:20 - 10:40

Evolution of Content Factory/ Camp Ops & Industry Learnings

Defining IBU ICC requirements

Description

This session explores how content factory and campaign operations have evolved, including industry benchmarks, best practices, and lessons relevant to Takeda's future model. It broadens the conversation beyond the immediate partnership into wider market learning.

Placed within the Day 3 working session, it provides useful comparative context for the content-factory discussion. The perspective helps inform thinking about how the model may continue to develop.

TIME	10:20 - 10:40
DURATION	180 min
LOCATION	Indegene
HOSTED BY	Peter S.

DAY 3 · EVENT 9 · 10:40 - 11:00

Wrap up and Closing

Defining IBU ICC requirements

Description

This wrap-up session summarizes key decisions, captures open action items, confirms owners and timelines, and aligns on next steps. It closes the Day 3 working session at Indegene with a clear and practical conclusion.

The discussion helps translate the day's conversation into an organized path forward. It provides a disciplined finish to the content-factory establishment agenda.

TIME	10:40 - 11:00
DURATION	180 min
LOCATION	Indegene
HOSTED BY	Peter S.

DAY 3 · EVENT 13 · 15:00 - 16:00

Townhall with ICC

Defining IBU ICC requirements

Description

This townhall at Takeda ICC brings stakeholders together for a two-way engagement session. It creates a shared forum for connection, exchange, and broader organizational dialogue.

The format fits well as a collective moment within the visit flow, offering a more open and inclusive setting after the preceding working sessions. It helps round out the day with direct interaction across the ICC community.

TIME	15:00 - 16:00
DURATION	60 min
LOCATION	Takeda ICC
HOSTED BY	Tilak/Lana

DAY 3 · EVENT 14 · 16:00 - 16:30

Wrap up and close

Defining IBU ICC requirements

Description

This wrap-up session closes the day by summarizing decisions, actions, and immediate follow-ups. Held at Takeda ICC, it provides a concise and orderly conclusion to the program.

The session helps consolidate the day's discussions into a clear finish point. It offers a final moment of alignment before the visit concludes.

TIME	16:00 - 16:30
DURATION	30 min
LOCATION	Takeda ICC
HOSTED BY	Roland

Additional working time if needed

Defining IBU ICC requirements

Description

This additional working window provides optional time for follow-up discussion, alignment, or unresolved topics. It offers flexibility at the end of the day and can be used to extend the conversation if helpful.

The session sits naturally after the formal wrap-up, preserving space for any remaining points without disrupting the overall flow. It supports a calm and adaptable close to the program.

TIME	16:30 - 18:00
DURATION	105 min
LOCATION	Takeda ICC

DAY 3 · EVENT 16 ·

End

Defining IBU ICC requirements

Description

The visit concludes with a warm close to the Bengaluru ICC experience, leaving leaders with lasting memories of human connection, bold technology, and Takeda's shared commitment to building a brighter, more innovative future together. It serves as a reflective ending to the broader program.

This final moment brings the agenda to a graceful close and reinforces the spirit of the visit. It provides a memorable finish to the overall experience.
