DAY 1 SUMMARY AGENDA

Exploring how ICC India's capabilities can accelerate the next phase of GCM expansion for IBU

June 9, 2026 | 18 agenda moment(s)

Executive day summary

Day 1 is built around Arrival & Welcome, Welcome & Setting the Context, and Innovation Space Transition & Facility Walkthrough, giving leaders a clear view of how the day will unfold. The flow then extends into Transforming Market Access Through AI & Automation, Networking Break & PDT Labs Walkthrough, and Building Scalable Data Products and Foundations for IBU, connecting the opening context with the more detailed working sessions. The main focus is Reception at ICC India with access support and transition to the Day 2 venue, Introductions, visit objectives, and framing of the strategic opportunity for GCM expansion through ICC capabilities, and Guided transition and walkthrough of key ICC innovation areas, keeping the overview anchored in the actual session descriptions. The experience is anchored around ICC India Reception (11th Floor), 11th Floor - Himalaya, and 10th Floor - Ikigai Garden, so the day has a clear sense of place as well as purpose. The structure balances formal discussion, practical exposure, and natural pauses for conversation. By the close, the day should feel connected, purposeful, and easy for leaders to navigate. The index below remains the quick map for opening any specific agenda briefing page.
